WEEKLY
Research Reader Newsletter - check your email!
Breadcrumbs Hunt & prize - watch for details on social media!

DAILY
Research Tips - Collect one each day; the first 22 people to turn in all 22 tips to the Library on May 1st win a prize!
It’s important to remember that research is iterative – you don’t always come to a conclusion from your first search. Often you just come up with more questions, and that’s okay. That’s how you’re supposed to do it!

Christine Forisha
STEM Librarian
